# PASTOR'S MESSAGE

Dear Parish Family,

This Sunday we celebrate the great mystery at the heart of our faith: the Most Holy Trinity — Father, Son, and Holy Spirit. We believe in one God in three Divine Persons, a mystery not meant to confuse us, but to draw us into the very life and love of God.

The Trinity reminds us that God is not solitude, but perfect communion. The Father loves the Son, the Son loves the Father, and the Holy Spirit is the bond of that eternal love. From the beginning, we were created in the image of this loving communion. That means we are made for relationship, unity, compassion, and self-giving love.

Every time we make the Sign of the Cross, we proclaim this beautiful mystery: “In the name of the Father, and of the Son, and of the Holy Spirit.” It is a simple gesture, yet it contains the whole Gospel. We begin our lives in the Trinity at Baptism, and we are continually strengthened by God’s presence throughout our journey of faith.

In a world often marked by division and isolation, the Holy Trinity teaches us the importance of living in love and unity. Our families, parish community, and friendships are strongest when they reflect the selfless love of the Trinity.

May this celebration renew our awareness that we are deeply loved by God. And may the grace of the Father, the peace of the Son, and the joy of the Holy Spirit remain with you always.

Blessings to you and your loved ones,

Fr. Rolando

# Parish Center Update

## PARISH CENTER EXTERIOR

Front

Back

The design is a clean, contemporary expression of our current time and place in the 100 plus year history of St. Anthony. The size of the new Center is approximately 17,000 square feet. From any curb angle, there will be lush landscaping with layers of plant materials that beatify the area and fit with the natural feeling of the Victoria Park neighborhood.

The building's exceptional design is compatible but differentiated from the Church to ensure the Church remains the prominent and focal point structure on the property. The new Center is pushed back from the NE 3rd Street making it secondary in hierarchy. Building placement will expose the entire east façade of the Church which currently is hidden from view. This structure position creates a new pedestrian experience with greater appreciation of the stain glass windows. Planned are 8' wide brick pavers that lead to a lush courtyard which serves as a serene gathering place. The Architect of record is Bruce Celenski, Inc.

If you have questions or would like to make a donation, please contact Lorraine FitzGerald Kelly at the Development Office: 954.467.9009 Email: [L.Kelly@StAnthonyFtl.org](mailto:L.Kelly@StAnthonyFtl.org).
