

April 29, 2024

Dear Parishioner,

As our snow birds begin to pack it up and head back north for another summer, we want to remember to thank Monsignor Richard Sheahan for his service to our community again this year. Have a restful summer, Monsignor, and we'll see you in the Fall!

Congratulations to Lorraine Kelly, Ryan Shea and all those who worked to make the Gentlemen's Dinner a success again this year. Mr. Joseph Farrell was honored at this year's event for all he has done for our school and parish community over the years. We appreciate you, Joe!

Take some time this week to appreciate the blessings in your life that are easily taken for granted. And then BE a blessing for someone else!

Keep safe.

Devotedly,
Fr. Michael Grady
