Dear Parishioner,

It's starting to feel like Autumn, isn't it? I hope everyone is enjoying the milder temperatures. It's why we live here!

This coming Sunday will mark the end of the liturgical year with the Feast of Christ the King of the Universe. The season of Advent begins the following Sunday. "New Years" are often a time for reflection and resolving to improve one's life in some way. Who says you can't make liturgical resolutions for the new liturgical year? (Certainly not me!) Perhaps you want to make it to mass **every Sunday** for a change. Or perhaps you want to resurrect a family grace before each meal. Maybe a weekly rosary as a family would be more up your alley. The possibilities are endless. What's needed is the resolve.

Take time to enjoy the blessings in your life today. And let the human blessings know how important they are to you. And as always, BE a blessing for someone else.

Keep safe.

Devotedly,  
Fr. Michael Grady
