

Dear Parishioners,

This weekend, the Archbishop's Charity and Development Drive (ABCD) takes place in all the Churches of the Archdiocese of Miami. Every year, the ABCD reminds us that we are part of something bigger than Saint Anthony Parish. We belong to a local Church, the Archdiocese of Miami, under the pastoral leadership of a bishop. The ABCD is not just a collection. It is an opportunity to express our communion with the local bishop and support the missionary and charitable works of the Archdiocese. The ABCD campaign allows us to extend our outreach, touch the hearts of those in need, and spread the love of Christ beyond the boundaries of our Parish.

As valued members of our Parish family, your time, talent and treasure have been a source of inspiration and hope for us all. Your contributions to the Parish have made a significant difference in the lives of many, and for that, I am truly grateful. Now, I am writing to ask for your support of the ABCD. I believed that together, as a community united in faith, we have the power to accomplish extraordinary things. I invite you to prayerfully consider joining us in supporting this year ABCD's campaign. Your gift, regardless of its size, will help us continue our mission of bringing hope to the hopeless and sharing the love of Christ with others, especially those in need. Your support of the ABCD changes lives and through its many works of charity, mercy and compassion, you make God's kingdom real for so many.

Thank you once again for your generosity. God bless you all!

Fr. Rolando
